-----X
NOTICE OF FILING SUPPLEMENTAL EXHIBIT OM2 IN SUPPORT OF PLAINTIFF'S
FIRST AMENDED COMPLAINT, RENEWED MOTION FOR TEMPORARY
RESTRAINING ORDER AND PRELIMINARY INJUNCTION, AND RNEEWED MOTION
FOR THE APPOINTMENT OF COUNSEL

NOW COMES Plaintiff, Luke A. Thomas, pro se, and hereby files the attached
Supplemental Exhibit in support of his First Amended Complaint (Doc. 33) and Renewed
Motion for Temporary Restraining Order and Preliminary Injunction (Doc. 37).

SUPPLEMENTAL EXHIBIT

Exhibit	Description
---------	-------------

Exhibit S-2	True and correct copy of Plaintiff's AT&T phone records for the period of August 23, 2022 through September 22, 2022, showing calls made to and from Plaintiff's cellular telephone number (217) 210-1430.
------------------------	--

RELEVANCE OF THE EXHIBIT

Plaintiff submits this Supplemental Exhibit to provide objective, third-party corroboration of his timeline of events and his attempts to report crimes and seek help in the days immediately following the unlawful seizure of his property on September 12, 2022.

I. The Exhibit Is a Self-Authenticating Business Record

The attached AT&T phone records are business records kept in the ordinary course of business and are self-authenticating under Fed. R. Evid. 803(6) and 902(11). They do not require a witness to authenticate them if properly certified.

II. The Exhibit Corroborates Plaintiff's Timeline of Events

The phone records independently verify the following events:

Date/Time	Phone Record Evidence	Corroborated Event
September 8, 2022	Multiple calls to David Osmer and Georgeanne Osmer	Plaintiff had contact with the Osmers four days before the seizure, refuting any claim they were not involved
September 14, 2022 11:45 AM	Call to 217.370.5225	Plaintiff attempted to report crimes to Sheriff Ohrn, who refused to take the report
September 14, 2022 5:36 PM	Call to 866.433.2419	Plaintiff reported possible abuse/exploitation to IDHS (Chicago Office)

Date/Time	Phone Record Evidence	Corroborated Event
September 15, 2022 8:51 PM	Call to 217.788.8311	Plaintiff called Police Non-Emergency
September 15, 2022 9:13 PM	911 call	Plaintiff was in distress and required emergency assistance on the same day the arrest warrant was issued against him
September 15, 2022 10:25 PM	Call to 217.753.5620	Plaintiff attempted to report missing/stolen firearms to the ATF

III. The Exhibit Establishes the Osmers' Involvement Before the Seizure

The phone records show calls to **David Osmer** and **Georgianne Osmer** on **September 8, 2022**—four days before the September 12, 2022 seizure. This is significant because:

1. It contradicts any claim that the Osmers were not involved in the events leading to the seizure;
2. It supports Plaintiff's claim that the Osmers were aware of and participated in the conspiracy; and
3. It establishes a pattern of communication between Plaintiff and the Osmers immediately preceding the unlawful taking of his property.

IV. The Exhibit Documents Plaintiff's Attempts to Report Crimes

The phone records demonstrate Plaintiff's extensive efforts to report crimes and seek help through legitimate channels:

Date	Evidence of Reporting
September 14, 2022	Multiple calls to law enforcement and government agencies
September 15, 2022	Calls to 911, Police Non-Emergency, and the ATF
September 15, 2022	Call to David Osmer (the person who, along with his wife, had just seized Plaintiff's property)

V. The Exhibit Supports Plaintiff's Claims

This Exhibit directly supports the following claims in Plaintiff's First Amended Complaint:

Claim	How the Exhibit Supports It
Conspiracy (§1985)	Shows communications with the Osmers before and after the seizure
Retaliation	Shows Plaintiff attempted to report crimes and was instead subjected to prosecution
Due Process	Shows Plaintiff sought help from multiple agencies and was denied
Irreparable Harm	Shows Plaintiff's distress (911 call) and inability to get help
Obstruction of Justice	Shows Plaintiff's attempts to report crimes were met with refusal

CONCLUSION

For the foregoing reasons, Plaintiff respectfully requests that the Court consider the attached Supplemental Exhibit in connection with the First Amended Complaint (Doc. 33), the Renewed Motion for Temporary Restraining Order and Preliminary Injunction (Doc. 37), and Motion for Appointment of Counsel. The Exhibit demonstrates:

1. That Plaintiff had contact with the Osmers four days before the unlawful seizure, establishing their involvement in the conspiracy;

2. That Plaintiff attempted to report crimes to the Sheriff, IDHS, Police, and ATF in the days immediately following the seizure;
3. That Plaintiff was in distress and required emergency assistance on the same day the arrest warrant was issued against him; and
4. That Plaintiff was actively seeking help through legitimate channels and was met with refusal and retaliation.

Respectfully submitted,
